

RoHS Statement

EU RoHS, the European Union Restriction of Hazardous Substances Directive (Directive 2011/65/EU, or “RoHS 2”), restricts the use of certain hazardous substances in electrical or electronic equipment. The Directive was amended by Directive (EU) 2015/863, which increased the list of restricted substances from six to ten (the amended version continues to be called “RoHS 2” or “RoHS 2, as amended”).

DJB instruments Ltd declare that all its products manufactured at its facility in Mildenhall UK, conform to the 2011/65/863 EU directive detailed.

DJB Instruments Ltd believes that the information it provides above is accurate. The information provided is based on data obtained from ongoing due diligence concerning goods and materials provided by third party suppliers. DJB Instruments Ltd provides such information “AS IS”, without any express or implied warranty of any kind. DJB Instruments Ltd reserves the right to update and modify this communication, as it believes necessary or appropriate

- Mercury: 0.1%
- Lead (Pb): 0.1%
