Statement Date: 12/12/2023

Compliance to REACH Regulation EC No 1907/2006

Products Covered: All products manufactured and sold by DJB Instruments (UK) Ltd.

DJB Instruments (UK) Ltd certifies that, to the best of its knowledge, all products that it manufactures and supplies do not contain Substances of Very High Concern (SVHC) found on the Candidate List (as of 14th June 2023) in a concentration greater than 0.1% weight by weight.

We source all components used to produce our products from suppliers which have assessed conformance to the above mentioned directive. DJB Instruments (UK) Ltd ensure compliance by maintaining up to date record of compliance statements from its material suppliers.

For and on behalf of DJB Instruments (UK) Ltd

A handwritten signature in black ink, appearing to read 'Adam Langbridge'.

Adam Langbridge
